

North America's #1 Name in
High-Pressure Cleaning Equipment

Power-Shine

Concentrated Biodegradable
Detergent for Pressure Washers

Vehicle Cleaner

Special Features:

A highly concentrated vehicle cleaner that produces rich suds to increase dwell time and cleaning action. Power-Shine is safe to use on polished aluminum and is excellent for road film and oxidized paint. Works well in hard water, leaves a shine and is a good cold water cleaner

Highly concentrated

- A little goes a long way
- Dilution ratio up to 150:1

Competitively priced

- Excellent value for cost
- Economical cost per gallon

High-quality detergents

- Specially designed for pressure washers
- Designed for high temperature cleaning

Safety approvals & registration

- Rocky Mountain registered
- Chemtrec registered

Hotsy's exclusive Continuous Clean Additive (HCC)

- Protects your pressure washer

Excellent service

- 160 North American Service Centers
- Expert chemist support

Biodegradable

- Safe for the environment

- Biodegradable

- #1 Customer Choice

- Approved by USDA & Canadian Agriculture

- Kosher Approved

Bulk Pak for Cost Savings

Ask your Hotsy Distributor how you can arrange to have your Hotsy Detergent supplied on a regular monthly schedule, pumped into your own HOTSY BULK PAK container, that's plumbed directly to your pressure washers. It's convenient, dependable, clean and efficient.

SAVE TIME, by having a regular monthly service call! SAVE MONEY with our low bulk rates! SAVE the INCONVENIENCE of disposing of empty 55-gallon drums.

Spend some time with a Hotsy Expert

Hotsy has more than 160 local distributors in North America, all factory-trained to properly evaluate your high-pressure cleaning needs.

Over 80% of Hotsy's distributors have been supporting Hotsy systems for more than 20 years.

Your local Hotsy dealer will recommend the best detergent to solve your toughest cleaning problem.

POWER-SHINE Specifications

Formulation:	A highly concentrated vehicle cleaner that produces rich suds to increase dwell time and cleaning action. Power-Shine is safe to use on polished aluminum and is excellent for road film and oxidized paint. Works well in hard water, leaves a shine and is a good cold water cleaner
Biodegradability:	Power-Shine is fully biodegradable
pH at 5% Solution:	11.0-11.7
VOC Content:	9 grams
Foaming Action:	High
Reaction in Hard Water (TDS):	Best
Dilution Ratio:	150:1
Color:	Blue
Scent:	Fresh & Clean
Exclusive Hotsy Additives	
Advanced Formula HCC:	"Continuous Clean Additives" help to prevent and remove scale build-up in coils, pumps, valves and fittings of pressure washers and steam cleaners.
Corrosion Inhibitors:	Power-Shine contains Hotsy's full line of corrosion-inhibiting additives, which protect metal surfaces long after washing is completed, giving your equipment protection that can last until it's next cleaning.
Product Analysis:	Kosher Approved.
Product Safety:	An OSHA Material Safety Data Sheet is available and is listed with the Rocky Mountain Poison Control Center 303-623-5716. For emergency spills call CHEMTREC 1-800-424-9300, outside US call 703-527-3887.
Damage Certification:	This product will NOT damage pressure washers, steam cleaners or related products.
Smog & Ozone:	This product does not contain photo-chemically reactive ingredients that contribute to smog problems or attack the earth's ozone layer.
Containers:	Available in various sizes through your local Hotsy Dealer.
