VitalOxide

**One Part, Stable, Chlorine Dioxide
 Disinfectant Sanitizer**

VitalOxide is an EPA registered disinfectant cleaner, mold killer and super effective odor eliminator. Ready to use with no mixing required, just spray, wipe or fog right from the bottle. Non-irritating to the skin and non-corrosive to treated articles.

VitalOxide - One Product, Many Solutions

✔ **Food Contact Sanitizer - NSF Registered (D2) Sanitizer**
 VitalOxide kills 99.999% of bacteria, including eColi, Salmonella and Listeria in less than 60 seconds, and it's odorless, requires no rinse and doesn't alter the taste of food that has been prepared on sanitized surfaces. (D2)

✔ **EPA Registered Disinfectant**
 Contains no volatile organic compounds (VOCs) and kills a wide range of viruses and bacteria. It doesn't contribute to mutating super bugs.

✔ **Mold and Mildew Killer**
 Safe to use on most surfaces. It removes mold and mildew and prevents mold on hard surfaces. It also kills mold, mildew and their spores with up to 7 months residual effects.

✔ **Allergen Eliminator**
 Proven effective on pet dander, as well as, dust mite and cockroach allergens. Safe to use on pet bedding and sleeping areas.

✔ **Odor Eliminator**
 Eliminates malodors due to smoke, trash, septic systems, stale cooking and more, without using masking agents or fragrances. Neutralizes urine and fecal odors.

✔ **HVAC and Air Ducts**
 Leaves HVAC systems and air ducts free of microbial contamination from bacteria, mold, mildew and other fungi, while ensuring air quality.
